WELLnews

Dear BWI - SHAWNA,

BWI Health Promotions of Western New York has been offering creative wellness solutions, fitness programs and worksite health since 1994. Our goal is to provide customized health promotion services that positively impact an organization's bottom line and produce measurable results.

To better serve the constantly changing health and wellness needs of organizations of all types and sizes, we ask for your help. We request that you complete the following short survey, which should take no longer than five minutes. We would like your input so that we can strengthen our offerings and outreach.
